M.Arch (Hon.) B.Env.Design

## We are interested in motivated people who are passionate about architecture and the built environment.

### SUMMER STUDENT

LETHBRIDGE, ALBERTA

One One Ten is a design focused Canadian architectural practice based in Lethbridge, Alberta providing professional design services in architecture, interiors, planning and environmental design. We began as a collective of architects and specialists of the built environment working in the context of a new paradigm of professional practice. We are passionate about our work and are committed to a collaborative approach to connect the right people in an explorative design process that produces thoughtful and engaging projects in contexts of the public realm. Our moniker name represents the calendar date our design studio was initiated.

#### POSITION

We are currently seeking a career oriented, enthusiastic and highly motivated **Summer Student** seeking an opportunity to be a part of our work organization. The successful candidate will contribute to the practice's project endeavors through the summer months and have an opportunity to shadow architects and technologists in the firm gaining legitimate first-hand experience working in the architectural profession.

#### QUALIFICATIONS

The ideal candidate will be passionate about architecture and design and have an interest in technology, construction and learning the inner workings of an architectural practice. Preference will be given to a well-rounded and enthusiastic individual currently enrolled in a post-secondary institution with the ability to work well in a collaborative team environment.

Responsibilities may include:

- Preparing reports, minutes and other required project deliverables.
- Organizing product and material libraries.
- Provide support to the firm's various projects and initiatives.
- Contributing to the CAD or 3D block library or standards.
- Creating physical models or assisting on the production of proposals.

#### SUBMISSION REQUIREMENTS

If you feel your skills would resonate with us, please submit your credentials in complete confidence with cover letter, curriculum vitae and three references in a single packaged .PDF file (max 10MB) to [careers@010110.ca](mailto:careers@010110.ca). Please keep your submission simple and indicate the position you are applying for in the email subject line and on your cover letter. Please include your salary expectation.

Hard copy applications by courier or mail will also be accepted, but not returned.

We sincerely thank all candidates for their interest, however only those being considered for a position will be contacted for an interview. No telephone calls please.
